

Prime Diagnostic Imaging provides world-class diagnostic imaging services in the Dallas-Fort Worth area. In our quest to become the leading national provider of diagnostic and screening services, we have created strategic partnerships by joint venturing with referring physicians in every local community. Prime is a fast-growing and fast-paced organization that specializes in delivery of MRI, CT, Ultrasound, X-Ray, and Pain Management. It is our daily goal to provide top quality images for patients and referring doctors to ensure quick and accurate diagnosis.

Position: Paramedic

Job Description:

Prime currently has locations in six different Dallas-Fort Worth areas. We have experienced continuous and fast growth over the past 10+ years in large part due to the excellent employees who make up our internal team.

We are looking for experienced Paramedics to join our team and provide support to our patients. Full time and part time positions are available.

Responsibilities:

- Instruct patients on pre-scan procedure – changing clothes, etc.
- Begin IV
- Run labs for MRI and CT patients
- Monitor patients post injections (if needed)
- Review patient paperwork for all procedures
- Monitor patient progress, workflow and wait times
- General upkeep of facility and medical supplies/equipment

Qualifications:

- Must be a certified/licensed Paramedic
 - And/or ACLS
